1. The following is an examiner's statement of reasons for allowance: prior art of the record (including three IDS received on 04/09/2007, 05/30/07 and 06/04/2007) does not disclose applicant's claimed organic electroluminescent device including: first and second electrodes; and an electroluminescent film containing an organic compound provided between the first and second electrodes, wherein:

a carrier generation layer is embodied in the electroluminescent film, the carrier generation layer being a floating electrode;

a first insulting film is provided between the first electrode and the electroluminescent film, the first insulting film preventing a carrier injection from the first electrode to the electroluminescent film; and

a second insulating film is provided between the second electrode and the electroluminescent film, the second insulating film preventing a carrier injection from the second electrode to the electroluminescent film.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
